

## Serving Up Success- Standardized Recipes Guarantee It Regional Workshops for Schools and Child Care Programs

Using standardized recipes can save time and money in school and child care programs. This workshop will teach the basics of creating and working with standardized recipes. Learn to size recipes to specific yields and how to modify recipes with simple calculations. Participants will practice developing standardized recipes for their own use. Learn how to create, use and find standardized recipes to make your job easier!

### **THIS WORKSHOP IS FREE BUT REGISTRATION IS REQUIRED.**

This workshop provides 2 hours of continuing education for schools (Professional Standards) and childcare staff (approved by the Montana Early Childhood Project).

**All participants should bring three recipes to work with including standardized recipes, home-sized recipes and/or ideas to create a new recipe.**
